Alce Nero

Organic Products imported from Italy

Alce Nero is an Italian company that has been cultivating and producing organic food since 1978. Today, Alce Nero is more than 1,000 organic farmers in Italy and 14,000 worldwide who are all actively involved in producing good food as a result of farming practices that respect the earth and its natural fertility. Our products provide the right nourishment and includes a list of clean ingredients for genuine quality and taste.

Alter Eco

SATAU

GROCERY

Chocolate Bars • Sweet Snacks • Truffles

Alter Eco is based on the premise that food is fundamental to life – and whole, healthy, delicious food can make life better for people all over the world. By working directly with the small-scale farmers who grow our quinoa, rice, sugar and cacao, helping them institute Fair Trade and Organic practices and assisting them in improving both quality of food and quality of life, we're creating a system that benefits everyone involved.

Amano

  **SATAU**
GROCERY

Asian Sauces & Pastes • Soy Sauces & Tamaris

Since 1939, the Amano family name has stood for quality in naturally brewed, locally produced Japanese foods products. Drawing on three generations of Japanese brewing traditions, Amano Food's products are carefully barrel aged up to a year, resulting in a superior traditional finish.

Anita's

Breakfast Cereals • Flours • Oatmeal • Baking Mixes

A Canadian company based in British Columbia, Anita's work with local framers to obtain the cleanest, freshest organic whole grains possible. Milled in small batches, every day, using a slow and traditional process, the grains remain packed with nutrients, just as nature intended. This care and attention to detail is for a purpose. Not only does our grains, flours, and mixes taste better for it, but they perform better in your kitchen.

Annie's Homegrown

Kid Cookies • Candies • Kid Crackers • Pasta Meal

Annie's mission is to cultivate a healthier and happier world by spreading goodness through nourishing foods, honest words and conduct that is considerate and forever kind to the planet. We also make it our responsibility to take on important issues—such as supporting organic practices and honest labeling – so you can be sure that the products you buy from Annie's are as authentic as possible.

Clif

Nut Bars • Energy Bars • Nutrition Bars • Kid Bars • Protein Bars

SATAU
GROCERY

In the early '90s, energy bars were generally unappetizing, sticky and hard-to-digest. Thinking he could make a better bar, Gary Erickson, founder of CLIF Bar, managed to do just that after months of mixing and baking. Today, CLIF Bar brings you delicious, nutritious bars while following an innovative business model guided by Five Aspirations— Sustaining our Business, Brands, People, Community and the Planet.

Cocomira

SATAU

GROCERY

Chocolate Crunch

Cocomira makes an all natural chocolate that looks homemade and tastes decadently wonderful. We start with an all-butter toffee that we coat with the finest European chocolate. Finally, we sprinkle the top with freshly roasted nuts - like pistachio and pecan - or toppings like peppermint. Our delicious confections are free of gluten, artificial flavours or colours, and preservatives. So, it's not what we put in, it's what we leave out that make Cocomira taste so amazing.

Crosby

Molasses

In 1879, Lorenzo George Crosby opened a grocery business in the port town of Yarmouth, Nova Scotia. An enterprising youth, L.G. quickly established himself in the import/export trade industry, transporting fish and lumber to the West Indies and returning with that “liquid gold” known as fancy molasses. Today, 137 years later, the Crosby Molasses Company continues to flourish as an independently-owned family business.

Cucina Antica

Ketchup • Pasta Sauces

Since 1998, Cucina Antica has been providing families with delicious pasta sauces made with imported Italian San Marzano tomatoes and only the freshest quality ingredients. We are also committed to giving back to those in need by donating a percentage of all our profits to deserving charities and organizations in an effort to end hunger and encourage education.

Cuisine Soleil

Cereals • Flours • Starches • Oatmeal • Baking Mixes

Cuisine Soleil is devoted to offer a wide range of quality gluten-free and allergen-free foods possessing the highest nutrition value. All our products are guaranteed gluten-free with less than 5 ppm, and our organic ingredients regularly undergo testing by an independent laboratory. Moreover, our products need few resources to grow, and are minimally processed.

Doctor Kracker

SATAU

GROCERY

Crackers • Savoury Snacks • Crispbreads

Dr. Kracker is dedicated to producing nothing but the highest quality health oriented crispbreads and snacks in an eco-friendly environment. So you get the rich, toasty taste of organically grown whole seeds and grains while we save energy by using a heat absorber to recycle all of our oven heat instead of releasing it into the skies.

Dream

Plant-Based Beverages

Dream offers a full range of delicious, lactose and dairy-free beverages. Refreshing and full of goodness, our beverages are fortified to provide you extra vitamins and minerals and formulated with inulin to contribute to your intestinal health. Equal Exchange

Coffee • Teas & Herbal Teas

Committed to their bold and somewhat utopian vision, the three founders behind Equal Exchange started their worker-owned cooperative in an effort to foster mutually beneficial relationships between farmers and consumers. Through their success, they have proven that building trade partnerships that are economically just and environmentally sound is not only sensible but also entirely possible.

Filsinger's

SATAU

GROCERY

Butters & Sauces • Apple Cider Vinegar

Located in Ayton, Ontario, Filsinger's orchard has been an organic orchard since 1953. Our soils and trees are balanced with seaweed extracts, trace minerals and compost while our apples are grown without the use of chemical herbicides and pesticides. We also take special care to make our cider, vinegar and other apple products the old-fashioned way.

Spices • Pepper

Frontier Co-op has been a member-owned cooperative supporting natural living since 1976. We care deeply about our effect on the world, and we are committed to helping the communities where our products are produced. We also feel organic agriculture is crucial to a safe and sustainable international food supply and that the basic values of organic agriculture — concern for people and the environment — are key to the well being of us all.

G.H. Cretors

Popcorn

Since 1885, G.H. Cretors has been creating handcrafted, gourmet popcorn one mouth-watering batch at a time. We strive to provide the most authentic popped corn we can by using only the highest-quality, real ingredients. Popcorn is naturally gluten-free, and we are committed to keeping it that way. We do not process gluten in our facility, and all of our products are certified gluten-free.

GimMe

SATAU

GROCERY

Seaweed Snacks

Offering the broadest range of minerals of any food on the planet, seaweed contains 10-20 times the mineral concentration of land plants in addition to being high in protein and fiber. That being said, organic seaweed can be hard to find. Thanks to the protected nature of the water where we grow our seaweed and the fact that no chemicals or pesticides are used, GimMe roasted seaweed snacks are certified organic.

Ginger Products

For 30 years, The Ginger People have dedicated themselves to promoting the virtues of ginger. We take great pride in sourcing from the premier growing regions of the world and crafting the most innovative ginger products. Family owned and operated, The Ginger People is the world's most award-winning ginger brand and America's leading supplier of all natural and organic ginger products.

Gold Mine

SATAU

GROCERY

Flours • Kelp Noodles

Out of a dream for “right livelihood” and a desire to spread the word about the healing powers of good food, Gold Mine was started in 1985. By distributing traditional macrobiotic foods and hard-to-find organic, heirloom quality grains, beans, and seeds, we developed a network of friends and local businesses that were eager to obtain these high quality products. Today, many and Gold Mine products are available in stores around the country.

Golden Flavor

SATAU

GROCERY

Savoury Snacks

Golden Flavor snack sticks are a natural, tastier choice for anyone who loves salted snacks. All our snacks are made using only the finest all-natural ingredients, without artificial flavours or colours before being cooked to perfection in non-GMO canola oil that is expeller pressed, i.e. extracted using force, not chemicals. Last but not least, people, not machines, have always been overseeing our manufacturing process to ensure the best products possible.

HALFPOPS™

Halfpops

SATAU

GROCERY

Popcorn

It all started with an idea, a slightly obsessed founder, some uncooked popcorn and lots and lots of testing. Mike Fitzgerald was on a mission to create a crunchier version of popcorn...you know, the best part. After a couple of years and tens of thousands of pounds of popcorn later, he finally nailed it! Halfpops provide crunch without frying, flavour without the calories, and a snack without the crumbs...it's the perfect salted snack!

Just Hemp Foods

SATAU

GROCERY

Hemp Oil • Hemp Seeds

At Just Hemp Foods, your good health is our priority. Hemp seeds' ideal Omega 3-6 balance would be enough to make it a superfood. Add in their high levels of plant-based protein, that they are loaded with essential amino acids, and are packed with a wide array of vitamins and minerals, hemp seeds are impossible to beat. So, boost your nutrition with our delicious, high-quality, gluten-free certified hemp-seed products.

Beans • Canned Beans • Indian Meals

JYOTI Natural Foods was founded in the USA in 1979 as a pioneering venture to produce high quality, nutritious Indian foods to all who were familiar with Indian cuisine. Today, we make a large variety of Indian foods packaged in shelf-stable cans and pouches. In an effort to preserve the environment, we also make sure not to waste water or energy during our manufacturing process and use cans that are made with more than 60% recycled steel.

Kashi

SATAU

GROCERY

Granola Bars • Cereals • Crackers • Granola

Innovative nutrition is Kashi's approach to food. It means we value not just the foods we make, but also how we make them by being progressive and mindful of sustainable and ethical farming practices. It also means we start with simple, natural ingredients and minimally process them to keep their inherent nutrition intact.

Kettle Chips

Vegetable Chips • Potato Chips

Kettle Foods made their first chips in 1982 and since then, we have only been using the freshest, all-natural ingredients to create intensely flavoured potato chips you can feel good about eating. We are also chipping in for the environment through a variety of sustainable business practices like fuelling our company vehicles with biodiesel made with waste vegetable oil as well as using solar and wind power to reduce CO₂ emissions.

Kiju

SATAU

GROCERY

Fruit Juices • Lemonade • Iced Teas

In 2005, a few regular guys quit their day jobs to pursue their passion for making healthier beverage options available to consumers everywhere. Nothing has changed since that first day – simply stated, it's always been about simplicity. We use only pure organic ingredients, create great tasting products and keep the price fair so more people can enjoy the benefits.

Rice Noodles

Our team here at Satau is proud to offer you the Kim brand. As a distributor of quality organic and natural foods, we do our best to only list products of the highest quality which, above all, are made in an eco-friendly way. King Island

SG SATAU
GROCERY

Coconut Chips • Coconut Water • Coconut Syrup

King Island started over 50 years ago in humble beginnings when a husband and wife began trading Thai coconuts along the Chao Phraya River in Bangkok. Today, we are one of the only brands that pours water straight out of the coconut and into the tetra pack. And since our coconut water is always sourced from one single origin, Thailand, the result is consistent taste you will love and consistent quality you can trust.

Knudsen & Sons

SATAU

GROCERY

Citrus Juice • Fruit & Vegetable Juices • Sodas

In 1961, when Russel W. Knudsen began bottling fruit juices from his organic grape vineyard, he did so on one condition: his fresh pressed and blended juices would never have artificial flavors or preservatives. Little did the R.W. Knudsen Family know, he was starting a tradition of innovation. Today, our diverse offerings include natural, organic fruit and vegetable juices, non-alcoholic, sparkling beverages, and quality-crafted carbonated beverages.

Koukla

Cookies • Granola • Macaroons

Koukla delights are made with love, using only the best ingredients. They are packed with organic nutrients rich in antioxidants and sweetened only with organic maple syrup. Our products are never heated above 46 °C (115 °F) so all essential vitamins and enzymes are preserved, making them a raw, healthy and delicious snack.

SATAU
